Oral Comprehensive Examination Report for Chemical Engineering PhD Students

Committee Chair should submit completed report to the ChE Graduate Director (together with Graduate School "Doctoral Comprehensive Examination" form)

Name of student: ____________________________________________________________

Date of Oral Comprehensive Exam: _____________

The Student’s performance on the oral comprehensive exam was voted as follows by the examination committee:

<table>
<thead>
<tr>
<th>Pass</th>
<th>Provisional Pass</th>
<th>Fail</th>
</tr>
</thead>
</table>

The degree is expected to be completed at the end of _____________ semester, 20____.

Conditions Associated With Provisional Pass

Comments on how well student demonstrated potential to:

a) Plan and conduct independent research
b) Apply core chemical engineering principles (transport, thermo, kinetics, design of experiments) to research topic

c) Effectively communicate research results in written and oral formats
