To sustain the GCSP, we will seek support from external partners, including both monetary and in-kind contributions.

**Monetary Contributions**
- $1000-$3000 – support an individual service learning project
- $1000 - ? – support a scholarship for a Grand Challenge Scholar
- $2500 – support a capstone design project
- $5000 – support a student summer research project
- $X0,000/yr. – primary corporate sponsor for one of the Grand Challenges
- $X,000 – Sponsor of an student’s international experience

**In-kind Contributions**
- Employee time dedicated to working with students and faculty on a GC-themed project
- Use of space, equipment or other company resources
- Internship position for a student in the GC program to work on a GC project
