

I've been admitted, now what do I do?

Claim your Identity Management (IDM) account

- www.itss.und.edu. This username and password is used for logging into Blackboard, Campus Connection and your UND Email account.

Set up your UND email account

- <http://und.edu/tech-support/students/student-email.cfm>

Email the detailed course descriptions and syllabi

- Detailed course descriptions and syllabi are needed for any math, chemistry, physics, engineering, AutoCAD, and programming course you transferred to UND that did not come in as equivalent transfers. Email these to janet.honek@engr.und.edu

Engineering department transfer credit evaluation

- The department review of your transfer credit can take 4-8 weeks after you have been admitted to UND.
- The evaluation will be emailed to you along with your advisors contact information.
- If you have any questions on your transfer evaluation you will ask those to your advisor.

Contact your advisor

- One month prior to course registration for advisement.
- Registration for classes begins: First Monday in April for summer and fall registration, first Monday in November for spring registration.

Check your Campus Connection site for your enrollment appointment time.

Register for classes

- Registration for all semester based courses is done through Campus Connection.
- Registration for Non-semester based (enroll at any time) courses is done at www.distance.und.edu/collegecourses

Taking courses from another institution

- Provide us with the detailed course description and syllabi beforehand to make sure the course will transfer equivalently. Email this to janet.honek@engr.und.edu.

Financial Aid

- Fill out the online application: <http://und.edu/admissions/financial-aid/index.cfm>
