NOTES	1. Math 135 and MATH 205 combine for equivalency to MATH 165 and 166 at UND. Both courses must be taken for equivalency.
	2. PHYS 205, 206, 209, & 210 combine for equivalency to UND's PHYS 251; waiver for PHYS 252 will be applied once student has completed degree in Physics from Adrian College.
	3. ME 418 lecture is taken during a spring term, with the accompanying 1 credit lab taken directly the following summer.
	4. Sub for Adrian PHYS3XX or greater
List does not include requirements for UND's Essential Studies University requirements; students who have completed a 4-year regionally accredited baccalaureate degree will have all Essential Studies requirements waived per UND policy.	
<i>The above plan may not reflect the only path to graduation, nor should it be used as the sole advising document. Students are required to complete all requirements as listed in the UND Academic Catalog for graduation purposes and should work with their UND advisor to confirm progress towards completion.</i>
